CAR BODY WASH & PROTECTION

Keep your car looking pristine with our range of exterior cleaning products. Billionaire products are specially formulated to remove dirt, dust and stains from your vehicle's bodywork, leaving it shiny and protected.

Specialized Shampoos: Our specialized shampoos offer a deep clean without damaging your car's paint. Its advanced formula effectively removes dirt and residue without leaving streaks or marks. Additionally, some of our shampoos contain protective agents that help maintain your vehicle's paint and shine.

Liquid Waxes: Our high-quality liquid waxes offer superior protection and a dazzling shine to your car's paint. Its advanced formula forms a protective layer that repels dirt, water and UV rays, helping to keep your vehicle looking pristine for longer. Plus, our liquid waxes are easy to apply and can be used on all types of paints.

Waterless Wash: Do you need to clean your car quickly without using water? Our waterless cleaning products are the perfect solution. These products contain special cleaning agents that dissolve the dirt and debris from the surface of your vehicle, without leaving streaks or marks. Simply spray the product, wipe gently with a microfiber cloth, and enjoy a clean car in minutes.

Wash & Wax

BODYWORK WASH

Specially formulated PH neutral soap enriched with waxes. Thanks to its foam, it effectively cleans even the most stubborn dirt. The wax provides an excellent shine while offering protection to the bodywork, reviving the original colour of the paintwork. Minimizes water marks and helps drying.

INTERIOR

INTERIOR UPHOLSTERY AND CARPET - LEATHER- DASHBOARD - PLASTIC AND VINYL

Keep the interior of your car spotless and comfortable with our wide selection of Billionaire interior cleaning products. From dashboard cleaners to leather conditioners, we offer specialized solutions for every surface.

Dashboard cleaner: Our dashboard cleaners are specially formulated to remove dust, dirt and stains from plastics and interior surfaces. Not only do they clean, but they also protect against UV rays, preventing fading and cracking over time.

Upholstery cleaners: If your car has fabric upholstery, our textile upholstery cleaners are ideal. These products effectively remove stains and embedded dirt, leaving your seats and mats spotless. Additionally, some cleaners also contain deodorising agents to eliminate unwanted odours.

Leather cleaners: If you have leather upholstery, our leather cleaners are a must. These products gently remove dirt and debris, while maintaining the leather's original softness and shine. Additionally, they help prevent dryness and cracks, prolonging the life of your leather seats.

Leather conditioners: To keep the leather on your seats and door panels in optimal condition, our leather conditioners are ideal. These products hydrate and nourish the leather, keeping it soft, supple and resistant to wear and tear. Additionally, they provide a protective layer against UV rays and stains.

Carpet & Upholstery Cleaner

INTERIOR

Effective multipurpose cleaner for all types of textile upholstery, carpets and vehicle mats. Its specific formulation does not harm or deteriorate the treated surface. It is the ideal product for cleaning and renewing seats, mats and all upholstered surfaces of the vehicle.
